THE PARTNERSHIP BEHIND THE PORTFOLIO

The relationship between The Quarters & Northern Group was bought together following numerous highly successful launches in the local area. Northern Group has been appointed to bring to market and manage this latest Build-to-Rent scheme in the Northern Quarter. Raising the bar for rental accommodation in the neighbourhood.

Northern Group brings its leading expertise in rental accommodation and delivering contemporary living in Manchester. Northern Group has successfully managed over 600 residential spaces and has a reputation for delivering forward thinking developments.

The Quarters has been designed to bring life back to Oldham Street, after the former Dobbins Department Store was fire damaged in 2013. Two purpose built buildings bring you The Quarters, a mix of one, two and three-bedroom apartments and commercial space.
